

# CITY COUNCIL

**JULY 1, 2020**

Jesup City Council met in special session on Wednesday, July 1, 2020, at 1:00 o'clock p.m. at the Denver Iowa Wastewater Treatment Plant, 2076 270<sup>th</sup> Street, Denver, Iowa.

Mayor Chris Even called the meeting to order at 1:10 p.m.  
Members present: Denny Bell, David Bishop and Todd Rohlfesen.  
Absent: Curtis Schares and Craig Wright.

Motion by Denny Bell, seconded by Todd Rohlfesen, to approve the agenda. Motion carried 3:0.

The council participated in a tour of the Denver Iowa wastewater treatment plant. This plant is a Continuous Flow Activated Sludge with Ultraviolet. This is the equivalent of alternative number two for the City of Jesup Facility Plan. All stages of the treatment plant process were outlined by the City of Denver staff as well as the plant representative. This tour ended at 2:11 p.m.

Todd Rohlfesen did not travel to the Reinbeck Iowa Wastewater Treatment Plant tour. Meeting adjourned at 2:11 p.m.

Council Members Bell and Bishop traveled to the Reinbeck Iowa wastewater treatment plant. The tour started at 3:00 p.m. This plant is Sequential Batch Reactor. This is the equivalent of alternative number three for the City of Jesup Facility Plan. All stages of the treatment plant process were outlined by the City of Reinbeck staff as well as the plant representative. David Bishop and Chris Even exited the tour at approximately 3:45 p.m. The tour ended at 4:08 p.m.
